### REGISTRATION PROCESS

Qualified Contractors shall submit an application for registration attaching the company profile and other relevant information including certifications where applicable, permits and the documents listed below:

- > Business information.
- > Registration category.
- > Company profile.
- > Personnel.
- > Project experience and performance.
- > Government project experience if any.
- > Financial information.
- > Occupational health and Safety information and
- > Referees/Guarantors.

The completed application for registration can be submitted by email or submitted online on our website [www.oopplc.com/procurement](http://www.oopplc.com/procurement) or email us at [procurement@oopplc.com](mailto:procurement@oopplc.com). The address to forward the application and telephone contact details for any inquiries are provided in the registration application document.

Contractors are assessed for their suitability to undertake contract works in the category and financial level for which they have applied. The assessment will determine if a contractor has satisfactorily demonstrated relevant experience and appropriate performance in the categories for which prequalification is being sought. As a result the contractor may be prequalified for a particular category(s) or assessed as unsuitable for registration in a particular category(s). Contractors will be advised of the assessment results in writing. Contractors may apply, at any time, for prequalification, or to upgrade an existing prequalification.

The registration is only valid for a period of 12 months effective January 1 of each year. Contractors will be advised via our website portal when the new registration opens to the public OOP PLC undertakes to treat all the information contained in the application for registration as confidential.

OOP PLC reserves the right to provide information from Applicants for Registration to our consultants engaged for the purpose of Technical and Financial evaluation of these applications. The same confidentiality of Information will be binding on all our engaged consultants. OOP PLC maintains a computerized database that contains information on all contractors registered to tender for all our projects.

Application documentation submitted by the contractor is retained by OOP PLC only.

### REGISTRATION FEES:

A registration fee of the sum of between =N=150,000.00 (One Hundred and Fifty Thousand Naira only) for Category A =N=250,000.00 (Two Hundred and Fifty Thousand Naira Only) for Category B and =N=350,000 (Three hundred and fifty thousand naira) is payable to our designated bank account on all categories of contract.

### CODE OF CONDUCT:

Integrity is one of our core values in OOP PLC, and it is therefore essential that we restate the position of the company on issues impacting on our integrity:

1. Our employees are not permitted to accept any gift from contractors, suppliers and consultants or their representatives, which is intended to facilitate or give undue advantage to the Contractor, Supplier or Consultant in the processing of Orders, documents or payment.
2. If at any time, any of our employees demands or is offered an inducement or such a gift which is, or may be construed as being a bribe, the matter will be reported formally for disciplinary actions.
3. Where an employee demands for inducement or gratification from any Contractor, Supplier or Consultant, such request must be promptly rejected and reported to the HEAD of Department available at the time of the incident.
4. The issuance and acceptance of Orders for services constitutes a legal contract, and as such, any inability to service or incompletely deliver on issued orders must be declared in writing at least three (3) days from expected date of delivery. Unserviced and/or incomplete service of order without notification as stipulated above will attract three (3) months suspension or outright loss of registration status.
5. Multiple registrations are not permitted. That is, registration with Two (2) or more different names or the use of proxy by the same Contractor, Supplier or Consultant. When detected such defaulters will lose their registration status with the Company.

It is important to note that we expect full compliance with this policy by all Contractors, Suppliers and Consultants as well as their Representatives.
